REQUEST FOR RECONSIDERATION

MS PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

It is respectfully requested that the United States Patent & Trademark Office reconsider its Decision in response to Applicants' 28 April 2006 Request for Corrected Filing Receipt (treated as a Petition Under Petition under 37 C.F.R. 1.181), filed in connection with the above-identified patent application.

The Request for Corrected Filing Receipt was submitted in order to correct the 35 U.S.C. 371(c) date to 17 December 2004, the date on which the Applicants submitted the executed Declaration and thus completed all 35 U.S.C. 371(c) requirements. The Decision, which was mailed on September 20, 2006, refused the requested correction, contending that the Applicant submitted the signed Declaration on 29 April 2005.

Once again, Applicant contends that the executed Declaration was originally submitted on 17 December 2004. Enclosed herewith is a copy of the return receipt postcard, stamped 17 December 2004 by the U.S. Patent and Trademark Office, indicating that the executed Declaration

was submitted to and received by the Office on this date. Also enclosed is a copy of the Express Mail Label, stamped 17 December 2004 by the U.S. Post Office, further evidencing Applicants' submission of the executed Declaration on 17 December 2004.

Despite Applicants' submission of the executed Declaration on 17 December 2004, the Office issued a Notification of Missing Requirements on 15 April 2005 requesting said document. On 29 April 2005, Applicants' submitted a Response to the Notification, providing the Office with the original 17 December 2004 submission of the executed Declaration, along with copies of the aforementioned stamped return receipt postcard and stamped Express Mail Label, evidencing the 17 December 2004 submission and receipt date. Applicants believe this Response is the source of the erroneous 35 USC 371(c) date listed on the filing receipt and Notice of Acceptance.

Accordingly, Applicants request that the Office honor the Request for Corrected Filing Receipt and issue both a corrected filing receipt and Notice of Acceptance Under 35 U.S.C. 371 and 37 C.F.R. 1.495 listing the 35 U.S.C. 371(c) date as 17 December 2004.

No fee is believed due with this paper. Should the Patent and Trademark Office determine that a fee is due, however, the Office is authorized to charge Darby & Darby Deposit Account No. 04-0100.

Dated: October 5, 2006

Respectfully submitted,
